Subject: RE: Contribution to EFSA mandate on the risk assessment of new genomic techniques
Attachments: new genomic techniques COGEM advices.zip

Dear Colleagues,

Please find attached, enclosed in a ZIP-file, 13 scientific opinions that were issued by our national advisory body COGEM, concerning risk assessments on new genomic techniques.

Best regards,
Also on behalf of [REDACTED]

Dutch CA for 2001/18 and 2009/41

Onderwerp: Contribution to EFSA mandate on the risk assessment of new genomic techniques

Dear Competent Authority for Directive 2001/18/EC, for Regulation (EC) No 1829/2003 and for Directive 2009/41/EC,

Following our request to Member States in the draft questionnaire sent to you on 13/12/2019 and during the working group on 15/01/2020, we would kindly remind you to send **any scientific opinion on risk assessment on new genomic techniques**, issued by your national bodies, to the following mail box, SANTE-NGT-STUDY@ec.europa.eu **by 29 January 2020** at the latest.

Your submission, together with those from the other Member States and available EFSA opinions, will be used by EFSA to prepare an overview on the risk assessment of new genomic techniques.

Please be aware that we cannot guarantee that contributions submitted after the deadline will be taken into consideration in the EFSA's overview.

Thanks in advance for your cooperation.
