Subject: Reply - Invitation to the high-level conference on the regulation of Genome edited plants in Brussels

Dear [REDACTED] dear [REDACTED]

I am following up to the invitation as well as phone calls in relation to Dr Jülicher's attendance in the panel discussion at the upcoming high-level conference in Brussels on 01 October 2020.

I would like to confirm that we have indeed reserved the slot in her agenda for attending your event.

However, while we do not expect so, as you can imagine, we cannot predict so long in advance any given development in files which may require her full attention. Should this happen, we will of course inform you immediately.

Thank you very much for your understanding and do not hesitate to get back to us, should you need any further information.

Dr Jülicher is looking forward to joining the discussion in October.

Kind regards,

Kind regards,

[REDACTED]
Sabine Jülicher
