

<p style="text-align: center;">Bilateral senior management meeting between DG AGRI and DG SANTE</p>	<p style="text-align: center;">12/02/2019 15:00 DG SANTE</p>
--	--

Scene Setter

You are invited to participate to a DG SANTE “food pillar” bi-weekly senior management meeting. You will be accompanied by Pierre Bascou and Michael Scannell.

- On the basis of an exchange of e-mails, the following Agenda has been identified:

- 1) Sustainable food system agenda (in the context of preparations for the next Commission), including New Breeding Techniques

Strong synergies between SANTE priorities and the 4 AGRI priorities for the next College (resilient food & farm policy, inclusive & fair EU, innovative EU, EU as global leader) provide scope for more intensive cooperation.

- 2)

 3. Seek synergies to developing a **common strategy to steer the evolution of legislation and research** on [Redacted] (Out of scope) [Redacted] [Redacted] authorisation of new breeding technologies, GMO and [Redacted] (Out of scope) [Redacted].
 - Interested in **exploring avenues for new breeding technologies** and biotech beyond the current legislative framework.

Specific issues

DG AGRI is in particular interested in developing a **common strategy** to steer the evolution of **legislation** and **research** on:

- (Out of scope)
- authorization of new breeding technologies, GMO and (O o S)
- (Out of scope)
