BTO Meeting of N. Chaze with NBT Platform on new breeding techniques

Date: 11 September 2018

Place: Brussels

Present: [REDACTED], NBT Platform

N. Chaze (CAB Andriukaitis), [REDACTED] (SANTE E3)

NBT Platform requested the meeting to discuss the legal status of NBTs in Europe and the implications of the CJEU ruling for the agri-food sector. In view of NBT Platform new techniques are needed to respond to challenges from climate change in longer-term.

N.Chaze informed the representatives of NBT Platform of the outcome of the CJEU ruling of 25 July, which she considered to be very clear. Member States have to ensure now the compliance with the ruling. COM is discussing enforcement issues with the Member States' experts in the regulatory committees.
