**Subject:** Open letter to Commissioner President Juncker about the ruling of the ECJ on the legal status of new genetic engineering techniques  
**Attachments:** NewGMOs\_commonlettertoEuropeanCommission\_20180809.pdf

For the attention of Commissioner President Juncker,

On behalf 16 organizations, I am sending to Commissioner President Juncker an open letter about the ruling of the European Court of Justice that clarifies that new techniques of genetic engineering fall under EU legislation on GMOs.

I am at your disposal to any questions you may have in that regard.

Yours sincerely,
