Dear [redacted]

with regard to your request for information on potential applications for organisms modified using new mutagenesis techniques or field trials with such organisms I would like to inform you that no such applications have been received by the Lithuanian CA (Directive 2001/18/EC and Directive 2009/41/EC).

No products obtained by new mutagenesis techniques are registered in the national variety list.

I would like to apologise for replying after the deadline.

Respectfully,

**Subject:** Follow-up PAFF meeting 11/09/2018 on new mutagenesis techniques

Dear Member States Competent Authorities for Regulation (EC) 1829/2003,

Following our request to Member States at the PAFF meeting of 11/09/2018 to provide information and data on new mutagenesis techniques, we have received feedback from four Competent Authorities so far.

We would like to thank these Member States for their valuable contribution and kindly remind the other Authorities to send their feedback by 11 October, in order to allow an informed discussion at the next PAFF and Regulatory Committee 2001/18/EC meetings. To this end, we also invite you to consult the relevant national authorities for Directive 2001/18/EC and Directive 2009/41/EC.

We intend to share Member States' contribution through CIRCA BC.

Thank you in advance for your cooperation.

*Best regards,*

DG SANTE/E/3
