 play with uk people lifes

Kenny Divall @KennyDivall · Mar 13
 Replying to @BBCNews @AllieHBNews
 Just get rid of Put-in F***wit Chemist egomaniac, watch the BBC documentary explains how in reality his ego is bigger than his intelligence quota, and Moronic Putin we do have Nuclear weapons..

Robin @dointhebiz1 · Mar 14
 Replying to @ScotNational
 I certainly hope that Nicola and the SNP have a very good reason for supporting May on her condemnation of Putin without bothering to deliver a sample of the nerve gas or allowing 10 days grace for Russia to respond.

The Truth @TruthFon · Mar 16
 Replying to @BBCNews @AllieHBNews
 If nothing else, what this does is raises a serious question about why we are being sold the line that ONLY the Russians could have access to the nerve agent in question twitter.com/laurabirch1995...
