3 March 1955

MEMORANDUM FOR: DIRECTOR, CENTRAL INTELLIGENCE

THROUGH : [REDACTED] G

SUBJECT H : [REDACTED] - Debriefing of [REDACTED] F

I
F
F
H
1. The [REDACTED] of [REDACTED] and [REDACTED] from [REDACTED] F
appears to offer the best opportunity for observing techniques
employed by the [REDACTED] Communists in brainwashing. This matter has
been discussed by Dr. [REDACTED] with the [REDACTED] people in [REDACTED] I
They are most anxious to observe the subjects at the earliest opportunity.

I
H
2. CIA has arranged that each individual will be unwittingly escorted
on the [REDACTED] trip to the [REDACTED]. Detailed instructions have been
issued for observation which the [REDACTED] group is most anxious to
obtain. This surveillance will be passive and should afford a good basis
for further detailed interrogation should the subjects prove co-operative.

3. It is to be expected that every Government Agency having
interest in this subject will endeavor to interrogate these subjects upon
their arrival in the United States. It is felt that such a procedure would
only cause confusion. It is therefore recommended that -

a. CIA be designated as the Agency responsible for
interrogation of subjects in connection with suspected enemy
techniques;

b. A joint working group of [REDACTED] Agencies be formed J
to co-ordinate and support this effort; and

H
c. [REDACTED] being probably the most competent
group for this effort in the U. S., be designated as the element
to perform this activity.
