Subject: SI and H Experimenation, 30 January 1952

On Wednesday, 30 January 1952, SI and H experiments were carried on in Building 13. Room 20, with Misses and San observor) by Messrs and Tror a matter of record, Came in shortly after the work had begun.

As stated above, Now had attended primarily as an observor but in view of her excellent capacity as a hypnotic subject, the writer asked in the benefit of the benefit of the benefit of the writer placed in a deep trance state in a matter of a few seconds and transferred control of her to Mr. And he showed Misself and bow could open her eyes, carry on a normal conversation, act, look, laugh, etc. and still remain in a very deep trance state. Afte, had demonstrated this for about five to six minutes, awakened her by the usual 12345 method.

After some discussion of the general subject and remarks on demonstration, the writer using a slow relaxation technique, placed both Misse and another in a medium trance state for approximately ten minutes. He thereafter returned both girls to an awake state, using the usual post H suggestion regarding sleep, by the 12345 method.

then using a more rapid technique, placed in a medium trance state and tests were made for depth through various standard experiments such as opening eyes, inability to move the arm, arm catalepsy, etc. In addition, then awakened by the 12345 method after he gave her a post H suggestion that when he tapped the back of his chair with a pencil, she would immediately go to sleep. Shortly after awakening tapped the back of his chair with a pencil and responded and went into a good, medium trance state. A awakened her from this by the 12345 method.

After a short discussion, then using the same short method, placed in a lighter trance state and tested her for depth with the opening of the eyes, arm catalens, etc. then carried on a brief conversation within and awakened her by the 12345 method after giving her a post H suggestion that when the

was sitting moved a certain way, he would fall asleep. Shortly after he was awakened, moved the chair and and went immediately into a hypnotic trance state. A sawakened herusing the usual 12345 method.

After a bried discussion concerning the hypnotic state induced, applaced both girls rapidly in a medium trance state. Thereafter using a microphone, in tran a series of questions with and tape recorded the answers. It is being held in a trance state during the entire conversation. Thereafter, turned the mike over to a sawho questioned. It is briefly. However, the one point during the questioning, and immediately stopped the questioning. Shortly thereafter, awakened both girls by the usual 12345 method and with the usual precautionary suggestions.

The work was concluded short before 9:00 PM.
